

- **Smooth, Intelligent Power**
- **Alternative Energy Integration**
- **Battery Energy Storage**

Plug-and-Play BMS

OEM Temp Sensor
(plug-and-play)

OEM BMS connectors
(plug-and-play)

IPS Custom

'plug-and-play' BMS and board mount

Includes 2 OEM BMS headers
and 1 OEM Temp sensor header

Design for Second-use

- Industry standard Connectors
- Re-usable busbar and BMS wiring

Design for Second-use

- ◆ OEM Battery pack hardware
- ◆ Packs or Sub-packs in series
 - ◆ BMS Manager controls each BMS
 - ◆ Place in series to meet target voltage (4 in this case)

OEM Temp Sensor
(Plug-and-play)

OEM BMS connectors
(plug-and-play)

Communications to IPS BMS Manager

- **Smooth, Intelligent Power**
- **Alternative Energy Integration**
- **Battery Energy Storage**
 - **With Plug-and-Play BMS**
